FILE HEADING.

Electric Light to the Victoria Hospital and the Quarters attached thereto.

From

The Offg Senior Surgeon.

No. Q 401 Dated 8.1.08 Received 9.1.08

Diary No. 4748	Enclos. 1	Spare Copies.	Serial No. 3

BRIEF ABSTRACT OF LETTER.

Forwards with reference to Q.O no 2728-30 med 18-06-18 & 24.9.07 copy of letter no 632 & 6.12.07 from the Med. officer in Charge of the Victoria Hospl and requests Sanction (1) for the Supply of free lights to the Nursing Staff and for charging the ordinary rate for lights already used by occupants of free quarters from the 1st Sept 07 instead of from March 06.

NOTES AND ORDERS.

In the Govt order of 24th September 07 Govt directed that the occupants of free quarters attached to the Victoria Hospital should pay for the Electric power used by them and requested the Chief Engineer to take steps for

for recovery of the amount payable for power consumed in the Staff quarters from the occupants thereof, ~~and for the adjustment~~ the cost for the Hospital proper being reported to Govt. In his letter No: 3098 dy 18.11.07 the Chief Engineer reported that the cost on account of supplying electric power to the Victoria Hospl proper up to end of Sept'07 amounts to Rs 432-6-1 and the Senior Surgeon has been requested to suggest a reappn of the current year's budget grants to meet the cost in question up to end of year'08. In his present Comm^n the offg Senior Surgeon recommends (1) that the occupants of free quarters attached to the Victoria Hospital may be made to pay at the ordinary rate for power consumed in the quarters since the 24th Sept'07 - the date of the Govt order in which it was directed that lighting cannot be made free in free quarters, instead of from March'06 since which date electric power has been supplied to the free quarters; (2) that the free lighting to the quarters of the nursing staff may be made free. In support of this recommendation it is mentioned

Vide Enclosure 103-07 below.

Note—Contn sheet.

in the enclosure to letter under disposal (extract from that the nursing staff should be supplied with free lighting as in every other Hospital in the Country. Which Hospitals are meant and the authority under which free lighting is allowed to the nursing staff is not stated. Information on this point may, if appd be called for.

The Chief Engineer may also be consulted unofficially in the matter (1) of fitting up separate metres in the staff quarters as suggested by the medical officer in charge of the Victoria Hospital & (2) of enforcing payment for power consumed in the staff quarters from the 26th Sept '07 instead of from March '06. In this case Funds required to omit the cost from March 1906 to Sept 1907 have to be provided in the Medical budgets for transfer to the P.W.D.

11.1.08 Submitted for orders with a draft

11/1/08

4. To the Offg. Sec. Govt No 6706 D/ 13.1.08.

Requests him to ascertain and intimate which are the hospitals in which the nursing staff is said to have been

allowed free lighting and the authority under which lighting is supplied free and calls for further information regarding each member of the nursing staff of the Victoria Hospl: to whom free lighting is recommended.

Letter no Cf 493 of 19.2.08 from the Offg Senr Surgeon.

6 Forwards copy of letter no 889 of 4.2.08 from the medical officer in charge of the Victoria Hospital furnishing the information called for in Sl no 4.

It will be seen from the medical officer's letter that free lighting is supplied to the nurses in the Genl Hospl, Madras, J.J Hospital, Bombay, Victoria Hospl for women at Hyderabad & the Medical College Hospl Calcutta; but the authority under which lighting is supplied free in each case is not quoted or specified.

Free supply of lighting is recommended for the matron, 11 nurses including the Head nurse in the Lying-in Hospl, and the Pupil midwife. If this is sanctioned, the cost of electric power consumed in the nurses' quarters will have to be paid from the Medical budget. The Chief Engineer may, if asked be requested kindly for uniform rates as to the cost on account of electric power supplied to the nurse quarters

Note—Contn sheet.

from March 06 to Sept 07 & the probable cost upto end of March 08 and as to whether Separate metres may be fitted up in each of the Staff quarters of the Victoria Hospl.

Submitted for orders:

Addl Dy
26.2.08

The points for orders are:—

(1.) Whether lighting charges should be recovered from the occupants of free quarters from the date of the Govt order (24th Sept 1907) in which free lighting was refused or from ~~March 1906 from which~~ the date from which Electric power was supplied to the free quarters in March 1906

In the former case the charge has to be debited to the Medical Bondget for which a reappropriation Statement will have to be called for

(2) Whether lighting to the quarters of the nursing Staff (including matron) should be made free.

This is recommended because Nurses in other Hospitals outside Mysore enjoy the Concession. There is however nothing binding on Govt to supply free lighting to these quarters

OFFICE OF SENIOR SURGEON & SANITARY COMMISSIONER
MYSORE GOVERNMENT,

Dated, Bangalore, 8 — 1 — *1908.*

Med 120-07
Sl no 3

From

Major **H. E. DRAKE BROCKMAN**, I.M.S.,
Senior Surgeon and Sanitary Commissioner, with the Government of H. H. the Maharaja of Mysore,
BANGALORE.

To

C.S. Balasundaram Iyer Esqr., B.A.,
Offg. Secretary to the Govt., of H.H. the Maharaja of Mysore, General & Revenue Deptts., Bangalore.

Sir,

With reference to the Proceedings of the Govern--ment of Mysore and Order thereon No.2728-30/Med.180-06-18, dated 24th September 1907 anent payment for electric lights used at the Victoria Hospital Bangalore, I have the honor to forward the accompanying copy of letter No.632 dated 6-12-1907 from the Medical Officer in charge Victoria Hospi--tal and to state that the Chief Engineer of Mysore has -- been addressed as regards separate meters for each of the free quarters referred to in para 1 of the letter and to request that Government will be pleased to accord early -- Sanction for the supply of free lights to the nursing Staff and for charging for lights already used by the occupants of free quarters at ordinary rate from date of Government Order under reference for reasons given by the Medical Of--ficer in paras 2 and 3 of his letter with which I quite agree.

I have the honor to be,

Sir,

Your most obedient servant,

H E Drake Brockman

Major I.M.S.
Senior Surgeon and Sany.Commr.M.G

No 632 dated 6th December 1907 from the Medical Of-
-ficer in charge Victoria Hospital Bangalore, to the Senr.
Surgeon and Sanitary Commr.,M.G.,

With reference to your No.2731/3-12-1907 forward
-ing for my opinion copy of Chief Electrical Engineer's --
letter No.3315/4-11-1907, I have the honor to submit,

(a) That separate meters may be fitted up in each of the undermentioned free quarters in the Victoria Hospital.-

1. Medical Officer,
2. Resident Medical Officer,
3. Lady Medical Officer
4. Steward,
5. Matron,
6. Nurses, and
7. One meter for Hospital Assistants and Compounders' quarters.

(b) That separate bills for electrical power used -- for lighting may be sent up to the occupants of free quarters.

2. The statement of charges for electric lighting for free quarters sent, is prepared according to flat rates and distributed among the occupants of free quarters, ac-
-cording to the number of lamps fitted up in the quarters; i.e., the charges are calculated for 12 hours from 6 P.M. of one day to 6 A.M. of the following day; this rate is admissible only for the compound and corridor lights & not for lights in the free quarters, where only a few, and not all the lights are turned on for about 3 hours every night. The number of lights fitted up in each house is in excess of actual requirement, being intended for use only on spe-
-cial occasions, marriages etc., The rates charged for free quarters are therefore nearly 4 times the rates charge-
-able.

3. The Government Order No.2728-30/Med.180-06-18 -- dated 24th September 1907 regarding payment for electric lights is made to have retrospective effect from March 06, which is very hard on the officials concerned, who have been

been made to believe that the supply of electric power was free to them by the Senior Surgeon, in his No.4987 dated 5/6-3-1906. The nursing staff of the Hospital has to be supplied with light free of charge as in every other Hos--pital in the country.

4. Until meters are fitted up for each of the quar--ters as detailed in para 1 of this letter and the power used properly gauged, I regret my inability to enforce the Government Order as already reported in my No.549 dated -- 16-11-1907.
